Honorable James H. Welsh
Commissioner of Conservation
Office of Conservation
P. O. Box 94275
Baton Rouge, LA 70804-4275

Re: Bolivina Mexicana Zone, Reservoir A
WEST RIDGE FIELD
Lafayette Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **DAVIS PETROLEUM CORPORATION** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters:

1. To establish rules and regulations and to create a single drilling and production unit for the exploration for and production of gas and condensate from the Bolivina Mexicana Zone, Reservoir A, in the West Ridge Field, Lafayette Parish, Louisiana, said unit to be designated BOL M RA SUA, as shown on the plat attached hereto and made a part hereof.

2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit with each tract sharing in unit production on a surface acreage basis of participation.

3. To provide that any wells drilled to the Bolivina Mexicana Zone, Reservoir A, within or outside the unit created herein, should be located in accordance with the spacing provisions of LAC 43:XIX.1901 et seq. (Statewide Order No. 29-E).

4. To provide that the Commissioner of Conservation should be authorized to reclassify the reservoir by supplemental order without the necessity of a public hearing should the producing characteristics of such reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.

5. To consider such others matters as may be pertinent.

Page 2

The Bolivina Mexicana Zone, Reservoir A, in the West Ridge Field, is hereby defined as being the stratigraphic equivalent of that gas and condensate bearing zone encountered between the depths of 15,335 and 15,800 feet (electrical log measurements) in the May Petroleum, Inc. – Harrington No. 1 Well (OH), located in Section 26, Township 10 South, Range 2 East, Lafayette Parish, Louisiana.

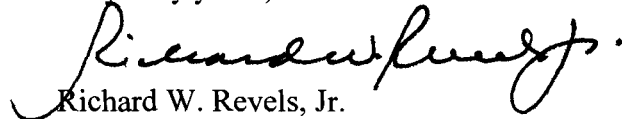

Any pertinent data, including well logs, not available from the Office of Conservation, may be obtained **AT THE COST OF THE REQUESTING PARTY** from David Comeaux of Leon Comeaux & Associates, Post Office Box 53922, Lafayette, Louisiana 70505, Telephone Number 337/233-9839.

Pursuant to the Revised Rules of Procedure, a pre-application conference was held on September 10, 2007, in Lafayette, Louisiana at which the parties named on the attached list were in attendance. The conference was opened by representatives of the applicant who explained the bases for the applicant's unit proposal. Several questions were asked and answered. Landowner representatives presented three (3) counterplans suggesting different geographic configurations, both larger and smaller than proposed by the applicant. Differences could not be resolved, and the conference was then adjourned. Opposition at the hearing is expected.

Attached hereto and made a part hereof are a plat, the conference attendance list, and the list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being mailed. Pursuant to the Revised Rules of Procedure, the plat (being the same plat attached to the pre-application notice dated August 13, 2007) and list of parties are being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the plat and/or list of parties will be furnished to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed is our check in the amount of \$755.00 made payable to the Office of Conservation submitted on behalf of the applicant representing the hearing application fee.

Very truly yours,

Richard W. Revels, Jr.
